

Dear Parents,

August 18, 2022

On behalf of the entire visual arts department: Ms. Gardziel, Mr. Moodie, Mrs. Melliza, Mrs. Halbardier, Mr. Sultzer, and Ms. Larson, we'd like to tell you how excited we are to be working with you and your student within our visual arts program. We are considered a large art department by most standards and thus, bring much expertise to the classroom. We are very enthusiastic about teaching art to your child this school year.

In the AISD course guide, there is a fee listed for each art class, per semester. The courses and associated fees are listed below.

Art 1 - \$15/Semester or \$30/Year
Studio Art- \$20/Semester or \$40/Year
Digital Art 2 or 3-\$20/Semester or \$40/Year
Drawing 2 or 3- \$20/Semester or \$40/Year
Painting2 or 3- \$30/Semester or \$60/Year
Photography2 or 3 \$30/Semester or \$60/Year
Ceramics2 or 3- \$30/Semester or \$60/Year
Sculpture 2 - \$30/Semester or \$60/ Year
Fibers 2-\$30.00/Semester or \$60/Year
AP Art- \$50/Semester or \$100/year

These fees are allocated directly to consumable art supplies the student will use in class. By ordering in bulk, rather than requiring a supply list, we are able to save families money and time.

The fees can be turned in to the teacher in person where a receipt will be provided to the student. Fees may also be submitted online using My School Bucks by selecting the course associated with the teacher.

Any fees that are not paid first semester will carry over to the second semester and continue throughout your student's time at Shadow Creek High School. Delinquent fees will result in students being placed on the campus fine list. Once on the fine list students can be removed once the fees are paid. Please communicate directly with your student's teacher, if necessary.

Warm Regards,

SCHS Visual Arts Dept.

Due Date Fall: On or before December 1st,

Due Date Spring: On or before January 31

Advanced Courses with equipment sign out may have earlier due dates,
